

**CITY OF
PERTH**
City of Light

GET A TASTE FOR YOUR CITY

Official Program
1 - 31 August

Lord Mayor Basil Zempilas

There are few experiences more joyful than sharing a delicious meal with your nearest and dearest.

My culinary experiences in the City began at the old Coles Cafeteria during the school holidays. Some of the most significant Zempilas family birthdays and anniversaries were celebrated at the Sheraton and the old Parmelia, and in more recent times The Reveley and Print Hall have hit the spot on those special nights out or lunches with friends.

Fine foods and a glass of wine can be a salve for the soul. They can instantly lift a mood, start a conversation, or create meaningful memories.

We want to capture this joy and spread it far and wide during the month of August, as we invite you to celebrate the magic of food in the City.

We have more dining options than anywhere else in our state, so there's plenty to keep your plate full with Plateful Perth.

Bring your appetite and your curiosity, and we'll see you in the City!

Welcome to Plateful Perth

Prepare your tastebuds for Plateful Perth – a month long celebration of dining in the City of Light, created for you by the City of Perth.

Join us this August as we celebrate the vibrant flavours, passionate chefs and thriving foodie culture that makes Perth a true gastronomists' destination.

Discover amazing flavours as Perth's restaurants and bars showcase their talents, offering delicious dishes and exciting dining experiences.

Plateful Perth isn't just about tantalising your tastebuds. Make the most of limited time offers, so you can discover hidden gems, revisit old favourites, and create lasting memories through the joy of dining.

So, gather friends and loved ones, and immerse yourself in this month of culinary delights in the City of Light.

Take advantage of **FREE** night-time parking at all CPP car parks and on-street parking after 6pm.

Plus free 3-hour parking on weekends and public holidays at three centrally located car parks:
